# Special Observances

This is YOUR time . . . YOUR retreat. Make the best of it by encountering Jesus, the Lord and responding with an over-whelming “YES” to a life-long, prayerful relationship with Him.

Please observe the

## PERIODS OF SILENCE

identified in the schedule. The silence period starts at the time indicated by \*\*, and ends when the event ends. It is during these periods of silence that you and your fellow retreatants can encounter Jesus and develop that special relationship with Him.

Silence is always observed in the Chapel areas.

## General Announcements

The Retreat Master may schedule times for private consultation and the Sacrament of Reconciliation.

NOTE: In order to make final preparations for each conference and Mass, he will not be available during the 15-minute period prior to each of these occasions.

The Blessed Sacrament will be exposed from Friday evening until 8:30 p.m. Saturday. Please check for your scheduled adoration time on the bulletin board. \*

Ministers for each liturgy are asked to report to the Sacristy 15 minutes prior to the scheduled time.
