

STEWARDSHIP — Demonstrating a Grateful Heart ***TIME, TALENT, TREASURE & FAITH***

LOVING GOD WITH ALL MY HEART, WITH ALL MY SOUL, WITH ALL MY MIND, AND WITH ALL MY STRENGTH

The practice of tithing comes from the Old Testament, whereby one tenth of the produce of the land was set aside for the Lord. This demonstrated the people’s gratitude to God and the recognition that all their blessings came from him. Tithing not only acknowledges the LORD as the source of all our blessings, but also expresses our trust in Him. In giving the LORD 10 % of our blessings, we express trust that the LORD will ensure that the remaining 90 % will be sufficient for us. Tithing is our prayerful opening of our hearts and our hands to trust more in the LORD. Leviticus 27,30

Time

We are given 1,440 minutes each new day and 168 hours each week. How do I use the Time entrusted to me? A tithing of Time for God, his Church, and our neighbor would be 2 1/2 hours each day.

Talent

The LORD has blessed each of us with different gifts, abilities, interests and experience. How do I use my Talents to love God with my whole being and to serve my neighbor?

Faith

Faith is God’s gift entrusted to us for growing in our relationship with Him. Do I nurture Faith thru a tithing of time in Prayer, thru putting Faith in action for others & thru sharing my Faith in Jesus with others?

Treasure

Our material goods including our financial resources enrich our lives and are opportunities to serve others. Do I offer back to God 10% of my blessings in gratitude and for the building of God’s kingdom?
